Terms and conditions

1. Membership

There are different classes of membership. All those who satisfy the age and qualification and attainment criteria and are willing to abide by the rules and regulations of the society can become members subject to the approval of the Governing body. The different classes of memberships are given below.

1.1 Institutional/Corporate Member

The Institutional/Corporate Membership is open to all registered Organizations pursuing the areas of education, research and practice in the field of Science, Engineering or the like. The member Organization shall nominate a member who shall represent it. The Organization can withdraw and depute another nominee through intimation in writing. The nominee shall have all the rights and privileges of a Member.

1.2 Honorary Fellow

Honorary Fellow shall be selected by the governing body from persons in India and abroad for their high eminence in Engineering or the Science. Every such selection shall be announced in the ensuing annual general meeting provided that there shall not be more than twenty honorary fellows at any given time. Governing body shall frame separate rules for the selection of such honorary fellows and in regard to the manner of bestowing the honor on them.

1.3 Fellow

Every candidate for seeking admission as a fellow or for transfer to the class of fellow shall satisfy the following requirements

- i) Age: He shall have attained the age of Forty years on the date of his application for selection or transfer.
- ii) He should have been a member or shall have fulfilled all the conditions of becoming a Member.

Indian Society of Systems for Science and Engineering

- iii) **Occupation:** He shall be engaged in the profession of Engineering/Science in a position of high responsibility or shall have retired from the profession after having held, before his application for selection or transfer, a position of high responsibility
- iv) **Experience:** He shall have at least fifteen years of professional experience in an Organization of repute and should have made significant contributions.

1.4 Life Member/Member

Any person seeking to become Life Member/Member should satisfy the following criteria.

- i) **Age:** He shall have attained the age of twenty-three years on the date of his application for selection or transfer.
- ii) **Minimum Qualification:** Graduate in Engineering or Post graduate in Science
- iii) **Occupation:** He shall be engaged in a position of responsibility in the design or execution or operation in the field of engineering / science or engaged in teaching in the field of Science / Engineering.
- iv) **Experience:** He shall have had further at least three years professional engineering experience in a position of responsibility or teaching in relevant field.
- v) Those members paying the life membership fee shall be considered as Life Members

1.5 Associate Member

Any person seeking Associate membership should satisfy the following criteria.

- i) **Age:** He shall have attained the age of twenty years on the date of his application for selection or transfer.
- ii) **Minimum Qualification:** Graduate in Engineering or Post Graduate in Science.
- iii) **Occupation:** He shall have been engaged in a position of responsibility in the design or execution or operation in the field of Engineering / Science or engaged in teaching in the field of Science / Engineering.
